

Enjoy Healthy Life with Purelight !

Original UV Hand Wand **Germinator**
Easy and Instant Control of Allergy, Asthma and Rhinitis

PURELIGHT UV-Light Wand uses 100% chemical-free UV-C sterilization to sanitize objects and surfaces. Ultraviolet germicidal irradiation (UV-C) is lightning-fast in killing all DNA-based organisms.

Use PURELIGHT UV-Light Wand for protection against bacteria & viruses including SARS, clostridium, difficile, anthrax, avian bird flu, and hoof and mouth disease.

PURELIGHT

PURELIGHT UV-Light Wand is setting the new industry standard in convenient portable UV-C sterilization. This guarantees a 99.9% kill rate of bacteria & viruses including dust mites & bed bugs.

PURELIGHT UV-Light Wand can be easily used to sanitize objects like pillows, mattresses, countertops, keyboards and toilet. There are unlimited potential uses for PURELIGHT in households, hospital, healthcare industries, and home.
